

Devon Nicole's House Newsletter

PO Box 901 Londonderry NH 03053 http://www.devonshouse.org
Fall 2002

On July 30, 1999 a beautiful healthy baby girl named Devon Nicole came into this world. Five short days later she was called back to heaven. This may sound like the end of a story, but as it turns out, it is just the beginning of a journey....

Mission:

Devon Nicole's House is a Non-Profit Charity that is dedicated to establishing a home-away-from-home for families that have children either awaiting cardiac care, organ donations or that are in a Neonatal Intensive Care Unit (NICU) at any of the Boston area Hospitals. We hope to relieve the parents of the financial worry of how to afford being close to their child during a difficult time

Team from Boston Children's Hospital say they will be back next year. (L to R: Stuart Novick, Esq. Dr James Lock, Dr. David Fulton and Dr. John Mayer)

Baby steps .. walking in faith

by Devon's Dad

Yes. It has been 6 months since we sent out the Spring newsletter. 2002 is flying by for us. With help from friends we have learned and accomplished much. We have high expectations and are looking forward to 2003!! Our prayers and thanks go out

to the people that continue to help steady us as we move forward, step by step, to get Devon Nicole's House open. We certainly would like to already have our doors open and be housing the families that really need our help... but we are not quite there yet. We will continue to walk in faith.

As the first fingers of winter and snow make themselves felt in the North East, we vividly recall the 1st Kid's Day USA held on May 18th 2002 by Dr. Dan Parent and his team at **Parent Chiropractic** (Londonderry NH). It was a great turn out even with the SNOW that blanketed the ground that day. A month later spring was in full bloom and we were blessed with a gorgeous and warm sunny day for our 1st Annual Charity Golf Tournament for Devon Nicole's House at the Andover Country Club. We seem to keep stretching our legs and trying new things. A Golf tournament was truly new to us since NO ONE on the DNH Board of Trustees plays golf. The event was a huge success and raised over \$12,000. Good for a first time event. Next years Golf Chairs, Jack Ganley and Greg Quercia have set a much higher bar for the 2nd Annual Golf Classic (June 2nd 2003). Jack and Greg lead the team that took the trophy this year and have committed to defending their title. I am hoping by that time we will have a few new faces on the Board of Trustees and that we will be able to directly field a team to challenge them.

We extend our heart felt thanks to all our sponsors and everyone that attended this years Golf tournament. A special thanks to tournament major sponsor, **Price-Waterhouse Coopers.** We certainly hope to see everyone again next year!!

In the Spring newsletter we mentioned that we were close to having a site for Devon Nicole's House. With the continued slide in the economy and due to some roadblocks, we are in a temporary holding pattern on Plan A that would have yielded 14 rooms for families to stay at while in Boston. We are still in negotiations, but we have also started to explore some exciting new options.

Ultimately the decision and time that DNH will open is not solely in our hands. We need the help and prayers of others to make Devon Nicole's House a reality. Regardless of the timing, we WILL persist. The entire Board remains firmly committed to the realization of the dream that Devon left with us.

We do have some exciting news to share. After final unanimous approval from the Board of Trustees we have added a person to the DNH staff as Director of Development. Kathleen Twiss stepped down from her Board seat to take on this role. We are all very excited about having her as a dedicated resource. Together we have set some aggressive goals that she is very fired-up about. She also has a lot of good ideas and contacts that she will use to our advantage. The timing is perfect as we ramp up for the Valentines Dinner.

Please share our story with others! God bless and take care. We hope to see you at the Valentine's Dinner. This year's GALA EVENT will be the biggest yet!!

Special Thank You to Bethany Hickey (age 13) who was so inspired by Devon's Story at the Golf Tournament, that she went out and raised \$300 for DNH during the summer with a lemonade stand and by asking others to help. GREAT JOB BETHANY!

(We wonder if she knew that while pregnant with Devon, Deanna LOVED lemonade and lemon juice.)
